I must have missed the stipulated protective order last night. Do you have it? I would like to get those financial docs.

Thanks,

Bryan Reo

I will send an email tonight running down the existence of these things.

I cannot say what I will get.

I am editing the Protective Order and will send you a draft when I have it in a neat and proper form tonight.

All WhatsApp appear to be heavily abridged, and many have "this message was deleted" on either her end or the other end.

I would prefer that she use the "EXPORT CHAT" feature and send the complete chats, direct to Reo@ReoLaw.org so I am sure there has been no trimming, modifying, or splicing.

I would also like WhatsApp chats between her and Dominique Gouly and her and Fabien Roodhands, and any between her and Anshul Vaidya.

Specify for me the WhatsApp conversations you think are deficient.

I have asked generally but want to be sure I am not missing anything.

Also, she doesn't have any emails from her mother or sister that are more recent? Has she not spoken to them in months?

Also her mother is on WhatsApp and I did request a recent WhatsApp chat log.
